Permission is granted for the proposals which were the subject of the Application and Plans registered by the Council on 07 December 2010 and described above.

The approval is subject on compliance with the following conditions:

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.  
**Reason: In order to comply with the provision of Section 91 of the Town and Country Planning Act 1990.**
- 2 The development hereby approved shall be carried out strictly in accordance with the plans and specifications as approved unless prior written consent has been given by the Local Planning Authority to any variation.  
**Reason: In the interests of the visual amenities of the locality and in accordance with UDP Policy BE6, Design Standards.**
- 3 Construction or remediation work comprising the use of plant, machinery or equipment, or deliveries of materials shall only take place between the hours of 0800 to 1800 Monday to Friday and 0900 to 1400 on Saturdays and at no time on Sundays or Bank Holidays.  
**Reason: In the interests of the amenities of local residents and in accordance with UDP Policy ES1, Pollution.**

The grant of this consent does not constitute or imply permission, approval or consent by the Local Authority for any other purpose.

Signed *Stephen Moralee*  
Assistant Director, Planning and Transportation

Dated 11 January 2011

## Reason(s) for Granting Permission

- 1 Unique The proposal complies with policy BE6 in that it maintains the visual amenity and character of the area to a reasonable degree.

## Informative(s)

- 1 The proposed development lies within a coal mining area. In the circumstances Applicants should take account of any coal mining related hazards to stability in their proposals. Developers must also seek permission from the Authority before undertaking any operations that involves entry into any coal or mines of coal, including coal mine shafts and the implementation of site investigations or other works. Property specific summary information on any past, current or proposed surface and underground coal mining activity to affect the development can be obtained from the Coal Authority. The Coal Authority Mining Reports Service can be contacted on 0845 762 6848 or at [www.coal.gov.uk](http://www.coal.gov.uk).

- 2 The granting of planning permission does not in any way infer that consent of the landowner is given. Therefore the consent of all relevant landowners is required before proceeding with any development including that of the Council as landowner.

If it should transpire that the applicant does not own any of the land included in this consent then it is the responsibility of the applicant to seek all necessary consents and approvals of the landowner.

- 3 The decision to grant planning permission has been taken having regard to the policies and proposals in the Barnsley Unitary Development Plan set out below and to all relevant material considerations, including Supplementary Planning Guidance:

Policy BE6 (Design Standards) states that the Council will seek a good standard of design in all new development;

Policy T2a (Development and the Highway Network) states that all new roads, footpaths, point of access and vehicle manoeuvring areas will be designed and constructed in accordance with the appropriate Council standards.

SPG 18 gives further guidance on walls and fences.

This informative is only intended as a summary of the reason for granting planning permission. For further details on the decision please refer to the application file, by contacting 01226 772593.

## **NOTES:-**

### **Appeals to the Secretary of State**

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

### **Purchase Notices**

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

### **Compensation**

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
