GRANT OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2015/1116

To Mr Peter Thompson
Architectural Design Consultant
Linwood
Barnsley Road
Dodworth
Barnsley
S75 3JR

DESCRIPTION Variation of condition 3 (approved plan) of app 2015/0497 - Erection of 3.5 storey side/rear extension to accommodate HIMO.
LOCATION 4 Springfield Place, Barnsley, S70 6HJ

Permission is granted for the proposals which were the subject of the Application and Plans registered by the Council on 02 November 2015 and described above.

The approval is subject on compliance with the following conditions:

1 The development hereby permitted shall be begun before 01/07/2018.
Reason: In order to comply with the provision of Section 91 of the Town and Country Planning Act 1990 and condition 1 of application 2015/0497.

2 The external materials shall match those used in the existing building.
Reason: In the interests of the visual amenities of the locality and in accordance with Core Strategy Policy CSP 29, Design.

3 The development hereby approved shall be carried out strictly in accordance with the plans (April 15 Rev G) and specifications as approved unless required by any other conditions in this permission.
Reason: In the interests of the visual amenities of the locality and in accordance with LDF Core Strategy Policy CSP 29, Design.

The grant of this consent does not constitute or imply permission, approval or consent by the Local Authority for any other purpose.

Signed
Head of Planning and Building Control

4 The parking/manoeuvring facilities, indicated on the submitted plan, shall be surfaced in a solid bound material (i.e. not loose chippings) and made available for the manoeuvring and parking of motor vehicles prior to the development being brought into use, and shall be retained for that sole purpose at all times.
Reason: To ensure that satisfactory off-street parking/manoeuvring areas are provided, in the interests of highway safety and the free flow of traffic and in accordance with Core Strategy Policy CSP 26, New Development and Highway Improvement.

5 All surface water run off shall be collected and disposed of within the site and shall not be allowed to discharge onto the adjacent highway.
Reason: In the interests of highway safety in accordance with Core Strategy Policy CSP 40, Pollution Control and Protection.

6 No development shall take place until:

(a) Full foul and surface water drainage details, including a scheme to reduce surface water run off by at least 30% and a programme of works for implementation, have been submitted to and approved in writing by the Local Planning Authority:

(b) Porosity tests are carried out in accordance with BRE 365, to demonstrate that the subsoil is suitable for soakaways;

(c) Calculations based on the results of these porosity tests to prove that adequate land area is available for the construction of the soakaways;

Thereafter no part of the development shall be occupied or brought into use until the approved scheme has been fully implemented. The scheme shall be retained throughout the life of the development.
Reason: To ensure proper drainage of the area in accordance with Core Strategy Policy CSP 40, Pollution Control and Protection.

7 Construction or remediation work comprising the use of plant, machinery or equipment, or deliveries of materials shall only take place between the hours of 0800 to 1800 Monday to Friday and 0900 to 1400 on Saturdays and at no time on Sundays or Bank Holidays.
Reason: In the interests of the amenities of local residents and in accordance with Core Strategy Policy CSP 40, Pollution Control and Protection.

Informative(s)

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

1 The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to The Coal Authority on 0345 762 6848. It should also be noted that this site may lie in an area where a current licence exists for underground coal mining.

Further information is also available on The Coal Authority website at: www.gov.uk/government/organisations/the-coal-authority

Property specific summary information on past, current and future coal mining activity can be obtained from: www.groundstability.com

2 The granting of planning permission does not in any way infer that consent of the landowner is given. Therefore the consent of all relevant landowners is required before proceeding with any development including that of the Council as landowner.

If it should transpire that the applicant does not own any of the land included in this consent then it is the responsibility of the applicant to seek all necessary consents and approvals of the landowner.

3 The decision to grant planning permission has been taken having regard to the saved policies and proposals in the Barnsley Unitary Development Plan, the policies and proposals set out in the Core Strategy and to all relevant material considerations, including Supplementary Planning Guidance/Documents:

CSP2 'Sustainable Construction is that all new dwellings shall be expected to achieve at least a level 3 rating under the Code for Sustainable Homes'.

CSP4 'Flood Risk' sets out that the extent and risk of flooding shall be reduced by requiring Flood Risk Assessments for developments over 1ha that shall set out measures including reducing surface water run off by at least 30% on brownfield sites.

CSP5 'Including renewable Energy in Developments' all development above 10 or more dwellings will be expected to incorporate decentralised, renewable or low carbon energy sources and other appropriate design measures sufficient to reduce he developments carbon emissions by at least 15%.

CSP8 'The Location of Growth' Prioritises future development within Urban Barnsley.

CSP10 'The Distribution of New Homes' commits 45% of the Borough Housing to be built within Urban Barnsley.

CSP14 'Housing Mix and Efficient Use of Land' states that proposals will be expected to include a broad mix of house size, type and tenure to help create mixed and sustainable communities. It also states that a minimum development density of 40 dwellings per hectare will be expected. In addition priority shall be given to the development of previously developed land with a target of 55% and 60% of the overall amount of new housing.

CSP15 'Affordable Housing' states that housing developments of 15 or more shall be expected to provide affordable housing. In Urban Barnsley the expected contributions shall be 15% of the overall number of new dwellings proposed.

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
