

## REFUSAL OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2017/0287

**To** Alan Robinson  
2 Gawber Road  
Barnsley  
S75 2AF

**Proposal** Erection of 1no dwelling house and associated access.

**At** Oakstone Homes, Crowick House, Belle Green Lane, Cudworth, Barnsley,

Permission is refused for the proposals which were the subject of the Application and Plans registered by the Council on 23 March 2017 and described above.

The reason(s) for the Council's decision to refuse planning permission is/are:

- 1 The site lies within the Green Belt on the Saved Barnsley Unitary Development Plan, wherein it is the Policy of the Local Planning Authority not to permit new development except in very special circumstances, for purposes other than those set out in paragraphs 89 and 90 of the NPPF. Core Strategy Policy CSP34 reflects national policy guidance, protecting and safeguarding the countryside and open land around built up areas. In the opinion of the LPA the proposed dwelling constitutes inappropriate development contrary to policy and prejudicial to the character and openness of the Green Belt. Furthermore, there are considered to be no very special circumstances to justify the granting of planning permission in this instance.
- 2 In the opinion of the Local Planning Authority the proposed would result in overlooking and overshadowing of adjacent properties, contrary to Saved UDP Policy H8A, Core Strategy Policy CSP29 and the Council's Supplementary Planning Document: Designing New Housing Development.

Joe Jenkinson  
Head of Planning and Building Control

Dated 17 May 2017

## **NOTES:-**

### **Appeals to the Secretary of State**

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

### **Purchase Notices**

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

### **Compensation**

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
