Dear Madam

Details of condition 8 (highway works) of planning permission 2020/0999 - Earthworks to create plateaus for the creation of football pitches and an archery range and associated changing facilities, vehicular access, carparking, drainage works and boundary treatments

Land to east of Sheffield Road Hoyland (Parkside)

I refer to the application to discharge condition 8 (highway engineering works) above permission and to the following document submitted to support the application:

HOYLA-RPS-SI-XX-DR-CR-1114 REV C01

Condition 8 states the following:
Prior to any works commencing on site full detailed highway engineering, drainage, streetlighting and signing / lining details shall be submitted to and approved in writing by the LPA. The works shall subsequently be constructed in accordance with the approved details.

The condition was required at Planning application stage by the Highways Group Leader who has now reviewed the documents and confirmed that technical approval has been received from the Section 278 / S38 engineer.

I am happy to confirm therefore that **condition 8 can be discharged**.

Yours sincerely
Elaine Ward
