

The map displays a site layout with several key elements:

- Paths:** Labeled "Path" at the top and "Path (um)" at the bottom.
- HOPEWELL STR:** A street running diagonally across the right side of the map.
- Buildings:** Several rectangular structures are shown, including one labeled "EI Sub Sta" in the bottom left.
- Numbered Plots:** Red numbers are placed within various rectangular areas, likely representing specific plots or lots. These numbers include 14, 2, 53, 27, 19, 6, 34, 24, and 31.
- Other Features:** There are several irregular, light-colored shapes that could represent ponds, fields, or other natural features.
