4. Description of Proposed Works

Please describe the proposed works:

Roof-Lift Attic Conversion.  
Existing roof of pitch 30-degrees removed and replaced with a new roof of pitch approximately 37.5-degrees, raising the ridgeline of the property by approximately 900mm. The road-facing pitch of the new roof will have 4 opening rooflights and 2 non-opening rooflights.

The interior space will comprise a landing and bedroom with easy access to storage within the eaves. The stairwell will take space from two bedrooms on the 1st floor of the property.

All structural and interior work is to be carried out in accordance with Building Regulations required to convert the attic into a liveable space, with necessary inspection and approval from Building Control. Any supporting Steels and Wood Trusses used in construction to have appropriate calculations to ensure structural stability.

Has the work already been started without consent?

☐ Yes ☒ No

5. Materials

Does the proposed development require any materials to be used externally?☒ Yes ☐ No

Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material):
