

4. Description of proposal (Continued)

Please describe the proposed development, including relevant information on the siting and location of the building:

ONE DOMESTIC RESIDENTIAL DWELLING

Please provide any relevant information on noise, transport and highways impacts of the development and contamination and flooding risks on site. A flood risk assessment should be provided with the application in Flood Zones 2 and 3, and in Flood Zone 1 where an area which has critical drainage problems has been notified to the Local Planning Authority by the Environment Agency:

Please provide a description of the design and any exterior alterations which are proposed to the building including information of any intended partial demolition reasonably necessary to carry out these works, work involving the installation or replacement of windows, doors, roofs, exterior walls and work involving the installation or replacement of water, drainage, electricity, gas or other services.

SEE D&A STATEMENT & PLANS

5. Checklist

Please read the following checklist to make sure you have sent all the information in support of your proposal. Failure to submit all information required could result in your notification being deemed invalid. It will not be considered valid until all information required by the Local Planning Authority has been submitted. Please note that as part of this procedure, if any objections are received the Local Planning Authority may require submission of further information at a later date.

All sections of this notification completed in full, dated and signed (typed signature if sent electronically).

A plan indicating the site and showing the proposed development. A plan drawn to an identified scale will assist the authority in assessing your development proposal.

The correct fee.

Plans can be bought from one of our accredited suppliers using our [Buy-a-Plan service](http://www.planningportal.gov.uk/buyaplan) (www.planningportal.gov.uk/buyaplan)
