Barnsley Metropolitan Borough Council hereby certify that the development described in the First Schedule hereto, in respect of the land specified in the Second Schedule hereto and edged red on the plan attached to this certificate, would be lawful within the meaning of Section 191 of the Town and Country Planning Act 1990 (as amended)

First Schedule:

Lawful Development Certificate for partial rebuilding of the fire-damaged property (existing development)

Second Schedule:

56 Sheffield Road, Barnsley, S70 1HS

Please note this application for a certificate of lawfulness for an existing use only relates to a Class C4 (houses in multiple occupation) use which is a small, shared house occupied by between three and six unrelated individuals, as their only or main residence, who share basic amenities such as a kitchen or bathroom. If more than six unrelated individuals reside in the property at any point, then a change of use application from Class C4 (houses in multiple occupation) to Sui Generis would be required.

Please be aware that the Council monitors construction sites and open land within the vicinity of such sites in an attempt to prevent fly tipping (i.e. unauthorised deposit of waste on land), which is illegal under the Environmental Protection Act 1990. The penalties for fly-tipping can include:

- a fine of up to £50,000 and
- up to six months imprisonment on conviction.

Therefore, if necessary, please ensure that all demolition waste and waste associated with the construction of any development is disposed of via approved methods and that documents are retained to prove this.
