Dear Sirs

PLANNING APPLICATION IN RESPECT OF 7 WOODCOCK ROAD HOYLAND S74 9AY

Please find enclosed a planning application in respect of the above, the site location plan and the appropriate planning fee. The details that accompany this application can be emailed to you on request.

In support of the planning application we would like to make the following statement.

The applicant built the bungalow some 40 years ago, and the external ground level to the bungalow and the boundary wall [the subject of this application] exists in its present form exactly as it was when the bungalow was built.

Therefore the retention height of the wall is, from that existing ground level, 2300mm. Also it will be noted that the application seeks to include for the stepping down of a further element of the wall to reduce any abrupt appearance as viewed from the external access road.

The details relating to the conservatory are on the CAD details that will be emailed to you on request.

Finally also note that in 2006 an application [2006/1054] was approved for a similar wall height on the opposing site boundary.

Yours faithfully

[redacted]
