BARNSLEY
Metropolitan Borough Council

GRANT OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2015/0099

To White Agus Partnership
8 Morston Business Park
Whaley Road
Barugh Green
Barnsley
S75 1HQ

DESCRIPTION Erection of 3 no dwellings with integral garages
LOCATION Land at Harvey Street, Kingstone, Barnsley, S70 6JT

Permission is granted for the proposals which were the subject of the Application and Plans registered by the Council on 12 February 2015 and described above.

The approval is subject on compliance with the following conditions:

1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.
Reason: In order to comply with the provision of Section 91 of the Town and Country Planning Act 1990.

2 The development hereby approved shall be carried out strictly in accordance with the plans (Nos 14-068-01 & 14-068-02-A) and specifications as approved unless required by any other conditions in this permission.
Reason: In the interests of the visual amenities of the locality and in accordance with LDF Core Strategy Policy CSP 29, Design.

3 Prior to the commencement of development plans to show the following levels shall be submitted to and approved by the Local Planning Authority; finished floor levels of all buildings and structures; road levels; existing and finished ground levels. Thereafter the development shall proceed in accordance with the approved details.
Reason: To enable the impact arising from need for any changes in level to be assessed and in accordance with Core Strategy Policy CSP 29, Design.

The grant of this consent does not constitute or imply permission, approval or consent by the Local Authority for any other purpose.

Signed
Service Director Economic Regeneration, Development, Environment & Culture

Dated 02 April 2015

Development Service **Telephone: 01226 - 772000**
PO Box 604, Barnsley, S70 9FE **Fax: 01226 - 772591**

4 No development shall take place until full details of the proposed external materials have been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.
Reason: In the interests of the visual amenities of the locality and in accordance with Core Strategy Policy CSP 29, Design.

5 No development shall take place until there has been submitted to and approved in writing by the Local Planning Authority a plan indicating the position of boundary treatment to be erected. The boundary treatment shall be completed before the dwelling is occupied. Development shall be carried out in accordance with the approved details and shall thereafter be retained.
Reason: In the interests of the visual amenities of the locality and the amenities of occupiers of adjoining property and in accordance with Core Strategy Policy CSP 29, Design.

6 The parking/manoeuvring facilities, indicated on the submitted plan, shall be surfaced in a solid bound material (i.e. not loose chippings) and made available for the manoeuvring and parking of motor vehicles prior to the development being brought into use, and shall be retained for that sole purpose at all times.
Reason: To ensure that satisfactory off-street parking/manoeuvring areas are provided, in the interests of highway safety and the free flow of traffic and in accordance with Core Strategy Policy CSP 26, New Development and Highway Improvement.

7 All surface water run off shall be collected and disposed of within the site and shall not be allowed to discharge onto the adjacent highway.
Reason: In the interests of highway safety in accordance with Core Strategy Policy CSP 40, Pollution Control and Protection.

8 No development shall take place until full foul and surface water drainage details, including a scheme to maintain or reduce existing Greenfield run-off rates and a programme of works for implementation, have been submitted to and approved in writing by the Local Planning Authority:
Thereafter no part of the development shall be occupied or brought into use until the approved scheme has been fully implemented and the scheme shall be retained throughout the life of the development.
Reason: To ensure proper drainage of the area, in accordance with Core Strategy policy CSP4.

9 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (or any Order revoking or re-enacting that Order with or without modification), no integral garage conversion or hardstanding work to the front of the dwelling, which would otherwise be permitted by Part 1 of Schedule 2 to that Order, shall be carried out without the prior written consent of the Local Planning Authority.
Reason: To safeguard the amenities of neighbouring residents and visual amenities of locality in accordance with CSP29

10 Construction or remediation work comprising the use of plant, machinery or equipment, or deliveries of materials shall only take place between the hours of 0800 to 1800 Monday to Friday and 0900 to 1400 on Saturdays and at no time on Sundays or Bank Holidays.
Reason: In the interests of the amenities of local residents and in accordance with Core Strategy Policy CSP 40, Pollution Control and Protection.

11 Pedestrian intervisibility splays having the dimensions of 2 m by 2 m shall be safeguarded at the drive entrance/exit such that there is no obstruction to vision at a height exceeding 1m above the nearside channel level of the adjacent highway.
Reason: In the interest of road safety in accordance with Core Strategy Policy CSP 26, New Development and Highway Improvement.

12 Prior to commencement of development the extent of the adopted highway shall be clarified and agreed in writing with the Local Highway Authority. Any changes to the surfacing to the front of the properties that is required as part of that agreement shall be submitted to and agreed in writing with the Local Planning Authority prior to the commencement of development, The scheme shall then proceed in accordance with the approved details.
Reason: In the interests of highway safety in accordance with CSP26.

Informative(s)

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

1 The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to The Coal Authority on 0345 762 6848. It should also be noted that this site may lie in an area where a current licence exists for underground coal mining.

Further information is also available on The Coal Authority website at: www.gov.uk/government/organisations/the-coal-authority

Property specific summary information on past, current and future coal mining activity can be obtained from: www.groundstability.com

2 The granting of planning permission does not in any way infer that consent of the landowner is given. Therefore the consent of all relevant landowners is required before proceeding with any development including that of the Council as landowner.

If it should transpire that the applicant does not own any of the land included in this consent then it is the responsibility of the applicant to seek all necessary consents and approvals of the landowner.

3 The decision to grant planning permission has been taken having regard to the saved policies and proposals in the Barnsley Unitary Development Plan, the policies and proposals set out in the Core Strategy and to all relevant material considerations, including Supplementary Planning Guidance/Documents:

Core Strategy

CSP 2 'Sustainable Construction' - All new dwellings will be expected to achieve at least a level 3 rating under the Code for Sustainable Homes or equivalent

CSP 4 'Flood Risk' The extent and impact of flooding will be reduced by expecting all development proposals on brownfield sites to reduce surface water run-off by at least 30%.

CSP 26 - New Development and Highway Improvement - New development will be expected to be designed and built to provide safe, secure and convenient access for all road users.

CSP29 - Design - High quality development will be expected, that respects, takes advantage of and enhances the distinctive features of Barnsley. Development should enable people to gain access safely and conveniently.

Saved UDP Policies

Policy H8 (Existing Residential Areas) - Areas defined on the proposals map as Housing Policy Areas will remain predominantly in residential use.

H8A - The scale, layout, height and design of all new dwellings proposed within the existing residential areas must ensure that the living conditions and overall standards of residential amenity are provided or maintained to an acceptable level both for new residents and those existing, particularly in respect of the levels of mutual privacy, landscaping and access arrangements.

H8D - Planning permission for infill, backland or tandem development involving single or a small number of dwellings within existing residential areas will only be granted where development would not result in harm to the local environment or the amenities of existing residents, create traffic problems or prejudice the possible future development of a larger area of land.

SP

4 Your attention is drawn to the fact that it will be necessary for you to contact Mr Steve Gibbons on Barnsley (01226) 772017 in respect of the vehicular footway crossing required.

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
