5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

The current area we occupy is currently classified for use of B1(business) facilities. we propose a change of use to incorporate an A3 facility which will work in tandem with our flexi office/desk offering. Within the offering we also propose to have a small wellbeing area which will have a small amount of fitness equipment for people to use 24/7. We are detailing our overall offer as 'Life space' which complies food, drink, flexi-office and wellbeing all under one roof. The venue will set out a members only establishment which will also have a social membership allowing customers to use the eating and drinking facilities. The flexible approach we are taking is to ensure the business model is sustainable through the difficult times we are facing of the COVID-19 pandemic.

Alongside the internal changes including the change of use we are proposing a renovation of the entrance with cladding and new signage in order to make the site more visible and aesthetically appealing. Due to the entrance being off of both the high street and May Day Green this renovation will help customers with locating the site.
