Dear Sharon

Description: Discharge of Condition 4 of application 2020/1414 and Condition 5 of application 2020/1447 Conversion of rear brick section of North Range Glass House into day training room, Installation of two steel storage containers and oil tank in Slip Garden and the installation of external lighting at Cannon Hall Museum, Bark House Lane, Cawthorne, Barnsley, S75 4AT

Condition 4 of 2020/1414 and Condition 5 of 2020/1447: the details provided within plan 0292-PLI-NRT-DR-L-230 Rev C01 are considered acceptable to discharge the initial element of the condition; the condition requires the development to be carried out in accordance with the approved plans, and in accordance with the procedures set out in the above document unless otherwise agreed in writing by the Local Planning Authority.

It is brought to your attention that Condition 3 of application 2020/1414 and Condition 4 of application 2020/1447 requires agreement in writing the items of equipment to be retained.

The condition reads:

Prior to the removal of the boiler and associated pipework, the applicant will discuss with the LPA Conservation Officer and agree in writing the items of equipment to be retained within the building.

Reason: In the interests of the preserving and enhancing the architectural or historic interest of the building in accordance with Local Plan Policy HE

Please note that the conditions require the development to be carried out in accordance with the approved plans, and in accordance with the procedures set out in the above documents unless otherwise agreed in writing by the Local Planning Authority.
