House Type Description.

The cleverly designed Brantwood is a two-bedroom apartment that offers a lot of space and

If you love the idea of low-maintenance living, but want a garage too, this is the home for you. From your own private front door, the stairs take you up into a wide and bright hallway. Off this, is a light and airy open plan living space that includes a well-equipped, kitchen, spacious dining and lounge area. There are also two large bedrooms, a contemporary bathroom and handy built-in storage.

Key Features.

- Two-bedroom apartment with garage
- 763 sq. ft. of living space
- Open plan kitchen, dining and living area
- Built-in storage
- Make your home your own with **Keepmoat Options**
- Move in with just a 5% deposit with **Help to Buy**
