Tree Root Survey Report-

Address – Toll Bar Cottage, Lane Head Road, Cawthorne. Barnsley. Mr A. Smith.

Further to my recent visit to the above address to look at a proposed extension site, we have carried out test dig holes to ascertain if there are any roots present to be damaged due to the excavation. The two trees which could be problematic which are a cherry tree and silver birch do not extend to the area in question and are not covered by a tree preservation order.

Hope this clarifies the area of concern.

Yours faithfully

Stephen Thompson
