- Retrospective Shed 1 and Shed 4

Produced on 23 January 2026 from the Ordnance Survey National Geographic Database and incorporating surveyed revision available at this date.  
 This map shows the area bounded by 584257 263186,584357 263186,584357 263286,584257 263286,584257 263186  
 Crown copyright and database rights 2026 OS 100054135. Supplied by copla ltd trading as UKPlanningMaps.com a licensed Ordnance Survey partner (OS 100054135).  
 Data licence expires 23 January 2027. Unique plan reference: v1f/1366086/1830819

Issued for Planning application submission only. Not for construction or material ordering. The Principal Contractor is responsible for site measurements, construction drawings, and safe execution of the works.

<p>This drawing shall be checked and verified by the contractor prior to commencement of works on site. Any discrepancy, inconsistency, or query identified shall be reported immediately to the designer and resolved before proceeding with construction. No work shall be undertaken based on assumptions or unverified information.</p>

<p><b>DATE:</b> 23/01/2026    <b>DWG NO:</b> 114HR_BP_01_26 <small>SCALE: N/A (1:500 @ A3)    <b>DRAWN:</b> T.Z.</small></p>	
<p>These drawings are intended exclusively for use by authorised individuals and parties involved in this project. This design remains the copyright of Tomasz Zadrozny. No part of this drawing or associated information may be altered, copied, or reused without the written consent of the designer. Any proposed changes shall be referred to and agreed upon with the designer before implementation. Contractors and site operatives must verify that all work is carried out in accordance with the approved drawings, relevant standards, and applicable health and safety regulations. All dimensions and levels shall be verified on site before fabrication, procurement, and construction, serving as a control point to ensure accuracy. The designer accepts no responsibility for works that are installed incorrectly, unsafely, or not in accordance with the issued information. These drawings have been produced solely for Planning application submission and shall not be used for any other purpose. The drawings may be subject to amendment during the statutory approval process, which typically follows a standard timeline. Any surveyed or measured information shown on the drawings is indicative only and cannot be guaranteed to be accurate unless confirmed by a fixed-dimension check on site.</p>
