5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

Existing JD Wetherspoon pub is set over three storeys with a small beer garden at the side of the building and a pavement café area to the front. The side beer garden is buried behind a boundary wall at the basement level to the building. Ultimately the space doesn't have much light natural light and is disconnected from the existing customer area. The proposal is to raise the beer garden to the side of the property to be level with with the ground floor and provide access from within the customer area onto the new terrace. The terrace is also to extend to the rear of the property building above the current delivery route.

Has the work or change of use already started?
