Buggy Shelters

Purpose built Buggy shelters allow busy Mums more flexibility when out and about, providing a safe, weatherproof area to leave their buggy. Available in various sizes or even bespoke/custom made we can supply the perfect solution every time.

Product Specifications

Materials – Our products are available in a range of materials including: Wood, Aluminium, Galvanised Mild Steel, Stainless Steel and Cast Iron.

Construction – Mild steel racks and stands are manufactured from 50mm x 3.2mm galvanised mild steel tube. Shelters and Compounds are made from 60mm x 60mm x 3mm box section galvanised mild steel.

Product Specification – Selected RAL Colours are available for our powder-coated products, please see the colour reference scroller on the right – click on the arrows to scroll through the full range.

Other colours are available on request – please ask for details.

Bolts are internally fixed using captive nuts to eliminate unsightly and potentially hazardous external nuts and threads.

Product windows and canopies are made with 5mm Pet-G. All fixing straps are aluminium and all bolts and fixings are either aluminium or stainless steel. All ground fixings anchors have tamper-proof security heads.
