BARNSLEY
Metropolitan Borough Council

GRANT OF PLANNING PERMISSION

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO. 2015/0265

To Quill Architecture
7 Mulberry Close
Darfield
Barnsley
S74 9NN

DESCRIPTION Demolition of existing school building and erection of 1 no. detached dwelling.
LOCATION Former Worsbrough St Marys Church of England Primary School, Birdwell, Barnsley, S70 5RG

Permission is granted for the proposals which were the subject of the Application and Plans registered by the Council on 09 March 2015 and described above.

The approval is subject on compliance with the following conditions:

1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.
Reason: In order to comply with the provision of Section 91 of the Town and Country Planning Act 1990.

2 The development hereby approved shall be carried out strictly in accordance with the plans (NosCAD/QA/1500, CAD/QA/1501, CAD/QA/1502CAD/QA/1503-A, CAD/QA/1504, CAD/QA/1505 & CAD/QA/1506) and specifications as approved unless required by any other conditions in this permission.
Reason: In the interests of the visual amenities of the locality and in accordance with LDF Core Strategy Policy CSP 29, Design.

3 No development shall take place until full details of the proposed external materials have been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.
Reason: In the interests of the visual amenities of the locality and in accordance with Core Strategy Policy CSP 29, Design.

The grant of this consent does not constitute or imply permission, approval or consent by the Local Authority for any other purpose.

Signed
Head of Planning and Building Control

Dated 24 April 2015

Development Service
PO Box 634, Barnsley, S70 9FE
Telephone: 01226 - 772000
Fax: 01226 - 772591

4 No development shall take place until there has been submitted to and approved in writing by the Local Planning Authority a plan indicating the position of boundary treatment to be erected. The boundary treatment shall be completed before the dwelling is occupied. Development shall be carried out in accordance with the approved details and shall thereafter be retained.
Reason: In the interests of the visual amenities of the locality and the amenities of occupiers of adjoining property and in accordance with Core Strategy Policy CSP 29, Design.

5 The parking/manoeuvring facilities, indicated on the submitted plan, shall be surfaced in a solid bound material (i.e. not loose chippings) and made available for the manoeuvring and parking of motor vehicles prior to the development being brought into use, and shall be retained for that sole purpose at all times.
Reason: To ensure that satisfactory off-street parking/manoeuvring areas are provided, in the interests of highway safety and the free flow of traffic and in accordance with Core Strategy Policy CSP 26, New Development and Highway Improvement.

6 Pedestrian intervisibility splays having the dimensions of 2 m by 2 m shall be safeguarded at the drive entrance/exit such that there is no obstruction to vision at a height exceeding 1m above the nearside channel level of the adjacent highway.
Reason: In the interest of road safety in accordance with Core Strategy Policy CSP 26, New Development and Highway Improvement.

7 All surface water run off shall be collected and disposed of within the site and shall not be allowed to discharge onto the adjacent highway.
Reason: In the interests of highway safety in accordance with Core Strategy Policy CSP 40, Pollution Control and Protection.

8 Prior to the commencement of development or other operations being undertaken on site in connection with the development, the following documents prepared in accordance with BS5837 (Trees in Relation to Construction 2005: Recommendations) shall be submitted to and approved in writing by the Local Planning Authority:

Root protection areas (RPA)
Tree protection plan (TPP)
Arboricultural method statement (AMS)
Details of no-dig construction proposals for areas of car park and drive including cross-sections and plans showing relevant area.

No development or other operations shall take place except in complete accordance with the approved methodologies.

Reason: To ensure the continued well being of the trees in the interests of the amenity of the locality.

9 No hedges or trees on the site (except those shown to be removed on the approved plan - CAD/QA/1501), or their branches or roots, shall be lopped, topped, felled, or severed. If any retained tree is removed, uprooted or destroyed or dies, another tree shall be planted at the same place and that tree shall be of such a size and species, and shall be planted at such time, as may be specified in writing by the Local Planning Authority.
Reason: To safeguard existing trees/hedges, in the interests of the visual amenities of the locality and in accordance with UDP Policies GS22, Woodland, Hedgerows and Trees and GS22A.

10 Prior to commencement of development details of tree protection fencing shall be submitted to and approved in writing by the Local Planning Authority. The approved fencing shall be installed before machinery or materials are brought on to the site for the purposes of the development, and shall be maintained until all equipment, machinery and surplus materials have been removed from the site. Nothing shall be stored or placed in any area fenced off in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the Local Planning Authority.
Reason: To safeguard existing trees, in the interest of visual amenity.

11 No development shall take place until there has been submitted to and approved in writing by the Local Planning Authority, full details of both hard and soft landscaping works, including details of the species, positions and planted heights of proposed trees and shrubs; together with details of the position and condition of any existing trees and hedgerows to be retained. The approved hard landscaping details shall be implemented prior to the occupation of the building(s).
Reason: In the interests of the visual amenities of the locality and in accordance with Core Strategy Policy CSP 36, Biodiversity and Geodiversity.

12 All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner; and any trees or plants which die within a period of 5 years from the completion of the development, are removed, or become seriously damaged or diseased shall be replaced in the next planting season with other of similar size and species.
Reason: In the interests of the visual amenities of the locality and in accordance with Core Strategy Policy CSP 36, Biodiversity and Geodiversity.

13 The proposed development is located in a Coal Authority Coal Mining Referral Area due to the probable presence of shallow coal and the potential for mining legacy risks. The development should therefore be undertaken in compliance with CIRIA Publication 32 " Construction over abandoned mine workings" where applicable.
Reason: in accordance with NPPF sections 120 & 121 Land Stability

14 No development shall take place, including any works of demolition, until a Construction Method Statement has been submitted to, and approved in writing by, the Local Planning Authority. The approved Statement shall be adhered to throughout the construction period. The Statement shall provide for:
-The parking of vehicles of site operatives and visitors
-Means of access for construction traffic
-Loading and unloading of plant and materials
-Storage of plant and materials used in constructing the development
-The erection and maintenance of security hoarding including decorative displays and facilities for public viewing, where appropriate
-Wheel washing facilities
-Measures to control the emission of dust and dirt during construction
-Measures to control noise levels during construction
Reason: In the interests of highway safety, residential amenity and visual amenity and in accordance with Core Strategy Policy CSP 26, New Development and Highway Improvement, and CSP 29, Design.

15 Construction or remediation work comprising the use of plant, machinery or equipment, or deliveries of materials shall only take place between the hours of 0800 to 1800 Monday to Friday and 0900 to 1400 on Saturdays and at no time on Sundays or Bank Holidays.
Reason: In the interests of the amenities of local residents and in accordance with Core Strategy Policy CSP 40, Pollution Control and Protection.

16 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (or any Order revoking or re-enacting that Order with or without modification), no enlargement, improvement or other alteration of the dwellings which would otherwise be permitted by Part 1 of Schedule 2 to that Order shall be carried out without the prior written consent of the Local Planning Authority, and no garages or other outbuildings shall be erected.
Reason: To safeguard the openness and visual amenities of the Green Belt in accordance with Core Strategy Policy CSP 34, Protection of Green Belt.

Informative(s)

Pursuant to article 31(1)(cc) of the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), the Local Planning Authority have, where possible, made a pre-application advice service available, complied with our Planning Service Charter for Business and otherwise actively engaged with the applicant in dealing with the application.

1 The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to The Coal Authority on 0345 762 6848. It should also be noted that this site may lie in an area where a current licence exists for underground coal mining.

Further information is also available on The Coal Authority website at: www.gov.uk/government/organisations/the-coal-authority

Property specific summary information on past, current and future coal mining activity can be obtained from: www.groundstability.com

2 The granting of planning permission does not in any way infer that consent of the landowner is given. Therefore the consent of all relevant landowners is required before proceeding with any development including that of the Council as landowner.

If it should transpire that the applicant does not own any of the land included in this consent then it is the responsibility of the applicant to seek all necessary consents and approvals of the landowner.

3 The decision to grant planning permission has been taken having regard to the saved policies and proposals in the Barnsley Unitary Development Plan, the policies and proposals in the Core Strategy and to all relevant material considerations, including Supplementary Planning Guidance:

Core Strategy

CSP2 - All new dwellings will be expected to achieve at least a level 3 rating under the Code for Sustainable Homes or equivalent. The requirement will rise over the plan period and by 2013 new dwellings should achieve at least level 4, rising to level 6 by 2016

CSP 4 'Flood Risk' The extent and impact of flooding will be reduced by expecting all development proposals on brownfield sites to reduce surface water run-off by at least 30%.

CSP 26 - New Development and Highway Improvement - New development will be expected to be designed and built to provide safe, secure and convenient access for all road users.

CSP29 - Design - High quality development will be expected, that respects, takes advantage of and enhances the distinctive features of Barnsley. Development should enable people to gain access safely and conveniently.

CSP 34 - 'protection of Green Belt' in order to protect the countryside and open land around built up areas the extent of the Green Belt will be safeguarded and remain unchanged.

Saved UDP Policies

Policy H8 (Existing Residential Areas) - Areas defined on the proposals map as Housing Policy Areas will remain predominantly in residential use.

H8A - The scale, layout, height and design of all new dwellings proposed within the existing residential areas must ensure that the living conditions and overall standards of residential amenity are provided or maintained to an acceptable level both for new residents and those existing, particularly in respect of the levels of mutual privacy, landscaping and access arrangements.

H8D - Planning permission for infill, backland or tandem development involving single or a small number of dwellings

4 The granting of planning permission does not effect the status of species such as owls and bats which have protection under other legislation. These may be present, and it is the applicant's responsibility to seek advice on how to avoid damaging operations. Further advice can be obtained from the Countryside Unit in the Planning & Transportation Services, on 01226-772576, or directly from www.naturalengland.org.uk

NOTES:-

Appeals to the Secretary of State

If you are aggrieved by the decision of the Council to grant permission for the proposed development subject to conditions then you can appeal to the Secretary of State for the Environment, Transport and Regions under Section 78 of the Town and Country Planning Act. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from The Planning Inspectorate, Room 3/24 Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of the development order and to any directions giving under the order. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference to the application to him. These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
